

# “STATE OF ART IN ENDOVENOUS LASER TREATMENTS”

Paris, 22 January 2005

Chairman: *Prof. Becquemin* (HM University - Creteil, Paris)

02.15 Welcome – Chairman

## I<sup>st</sup> SESSION

### Endovenous laser: present and future in the treatment of varicose Veins

Moderators *Prof. Agus* (Milan, Italy) - *Dr. Perrin* (Lyon, France)

2.20 - 2.30 Introduction to the Session (Moderators)

2.40 - 2.50 Endovenous laser: Brazilian & Latin American experience

*Dr. Ferreira* (Porto Alegre, Brasil)

2.50 - 3.00 The International experience

(English, Belgium, German, Swiss, Italian, French, USA)

*Dr. L. Kabnick* (NJ, USA)

3.00 - 3.10 The Italian Endovenous Working Group: rational and objectives

*Prof. Agus* (Milan, Italy)

3.10 - 3.20 Evolutions of the endovenous procedure: learning curve and methods

*Dr. G. Spreafico* (Padoa, Italy)

3.20 - 3.30 Discussion

3.30 - 4.00 Coffee Break

## II<sup>nd</sup> SESSION

### Alternative techniques and Clinical development in endovenous laser

Moderators *Prof. Rabe* (Bonn, Germany) - *Dr. Blanchemaison* (Paris, France)

4.00 - 4.05 Introduction to the Session (Moderators)

4.05 - 4.15 Foam sclerotherapy (indications, results, complications)

*Dr. Hamel Desnos* (Caen, France)

4.15 - 4.25 Radiofrequency (indications, results, complications)

*Dr. Perrin* (Lyon, France)

4.25 - 4.45 The endovenous technology: diode laser-optic fibre:  
an inseparable couple?

*Mr. D. Boucher* (Paris, France)

4.45 - 4.55 Perivenous temperature during laser ablation of the varicose veins

*Dr. Lahl* (Wilhelmshaven, Germany)

4.55 - 5.10 Endovenous laser ablation of the small saphenous vein:  
parasthesia risk?

Endovenous laser ablation of reticular and superficial veins:  
method and results

*Dr. Gerard* (Paris, France)

5.10 - 5.20 Endovenous laserablation of the Giacomini and Collateral veins

*Dr. Greenstein* (London, UK)

5.20 - 5.30 Approaching Ulcers - the endovenous laser solution

*Dr. G. Magi* (Arezzo, Italy)

5.30 - 5.40 Point of view of ANAES

(agence nationale d'accréditation et évaluation en santé)

*Dr Durand-Zaleski* (Paris, France)

5.40 - 5.50 Discussion

5.50 - 6.00 Conclusions

(Chairman)
